

Post License Requirements as of July, 2016

****Visit the GREC website for up to date information

Salespersons must take a 25 hour Salespersons postlicense course in their first year of licensure. The course taken must be one specifically approved by the Commission. Failure to complete a postlicense course during the first year of being licensed will cause the license to lapse.

You must take postlicense course with an approved school. [Full list of approved schools](#), when visiting the approved school list make sure in the last column it states they are approved for postlicense course.
